

# OBJECTS TO PLAN FOR LOWERING 42D STREET.

Reform Club Makes Formal Protests to Mayor and Public Service Board.

Calvin Tomkins, Chairman of the Municipal Affairs Committee, of the Reform Club, has written letters to Mayor McGowan and the Public Service Commission protesting against the plan now under consideration by the Board of Estimate to depress the surface tracks at Forty-second street and Fifth avenue and to bridge the latter thoroughfare for the purpose of relieving the traffic congestion at that point.

on either side of the depressed tracks. Here is part of the letter which will be submitted to the Board of Estimate at its meeting to-day.

## To Clean the Sink.

Every sink should be provided with a three-cornered sieve made by covering a metal frame with very fine wire netting. When water is thrown into the sink it should be turned into this sieve, which retains every particle of solid matter, preventing its getting into the pipes and causing trouble. It is also much neater. Each morning the sink should be thoroughly cleaned. Dissolve a teaspoonful of Gold Dust washing powder in hot water and with a whisk broom wash the basket thoroughly; then carefully scrub every portion of the sink, pouring some of the hot suds down the pipe to loosen grease that may have gathered in the trap.

# Greenhut and Company Dry Goods

Tomorrow We Cap the Climax of Four Weeks of Extraordinary Suit Selling in Our Girls' and Misses' Section by a Saturday Sale You'll Never Forget Because of the Remarkable Values.

Bear in mind though, we do not want you to remember us because of the values alone—we would rather you would associate GREENHUT with the exclusive and thoroughly distinctive styles that await you—those smart fashions that embody all those individual fashion touches which the dressy Miss of New York has taken as her very own.

Taking into consideration the character of the garments, the superiority of the materials, trimmings, linings and workmanship, New York has never known such remarkable low prices on Girls' and Misses' Apparel.

It does not take shoppers of discernment very long—those who are in a position to know Fashion's latest decree—to locate where Dame Fashion holds court. Every day we see new faces, every day we add new customers to our ever-widening clientele, and when you consider that this house is only fourteen months old, and doing without a doubt the largest Girls' and Misses' business in New York, you can see that we must merit

it by all the requirements that make the very best dressers seek that store that appeals to them most.

We'd like very much to take each patron personally through our Girls' and Misses' stock. We'd be ready to rest our claim to ready-to-wear supremacy on our showing—and we'll do it, too, if you come early in the morning. Of course you know when the rush is on it would be impossible.

Misses' Tailor-Made Suits of fine Broadcloth. We intend these Suits to be not only the best value possible to give, but the handsomest styles, and we'd like to have you see these Suits. Then, if you like, compare them with Suits sold elsewhere at \$29.50 and in some houses for a little more, and see if we have not lived up to our intention. Small women will appreciate the handsome lines of these Suits, made especially to emphasize the youthful curves of the form—besides, they are suits for small women at Misses' prices.

We just had enough of these Suits made to preserve their exclusiveness, so you'll have to come Saturday. Fashioned in superior quality Broadcloth. The coat is charming in its simple elegance, its velvet collar with fancy gumpie trimming and satin tie; large Directoire pockets with trimming of large satin buttons. Lined with heavy guaranteed satin and interlining. Full gored skirt, side trimming of buttons; sizes 14 to 18 years—special at

**\$19.75**

Particularly Handsome \$6.50 Emb'd Net & Messaline Waists, \$4.50

Five hundred waists in this sale for Saturday, and that's a good many waists too, when you come to consider it, and we're just talking numbers to give you an idea of our immense waist business that comes to us because of our smart waist reputation.

We say these are \$6.50 Waists, but in fact they are waists, we've commercialized these five art. fancy waists. They have been created for you especially, so you find \$6.50 would not buy the workman's one—price \$4.50 is made possible by specializing.

So take advantage of the occasion Saturday while you may. Judge the smart styles by the late fashions and fancies, etc., of these Waists. Made of Messaline in black and colors; embroidered Nets with hand-made yokes, and Taffetas in both tailored and trimmed effects. All sizes, but not in every style. Values like these, especially when quantity is limited, will not last long; therefore, an early selection is advisable.
